5 In the interests of municipal administration the grant of rewards to informers seems to be a desirable one - The proposal seems to be the first of its kind Whether in the absence of a provision in the Regulation for framing a Bye-Law for payment of rewards, the Bye Law would be inconsistent with the Regulation, is a point for examination The Govt Advocate may be also consulted When this point is settled the amount of reward to be paid may be considered

6 It may be noted that under the Forest Regulation, no wards are paid to informers of breaches of forest laws.
